

Tutor Contact List

IMPORTANT NOTICE: This is a list of contact details of local tutors who may be able to take new students. Please note that Narrabeen Lakes Public School P&C Association has not assessed the qualifications or suitability of these individuals, nor has it checked the validity of working with children checks. We only recommend tutors who have completed school and have a WWCC. This list is by no means the only tutors you should seek, however they are highly recommended. It is important to note that in terms of quality of tutoring 'you get what you pay for'. Notes and details given of locations are a guide only and may not be accurate. Parents are encouraged to make their own enquiries and should ***verify the validity of working with children checks at:** www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check/apply
